April 11, 2003

Mr. David Finney, AIA
President
The Design Partnership of Cambridge
Hood Business Park
500 Rutherford Ave
Charlestown, MA 02129

Dear Mr. Finney,

We are pleased to announce that the Reading School Committee at its March 27, 2003 meeting voted to award your firm the contract to perform design development, contract document bidding and construction administration for renovation of the 1970 areas of Reading Memorial High School (Science Wing, Library Wing and Field House) and replacement of the 1953 areas with new facilities to include reorganization of interior space to meet all educational program requirements. The work is to be performed in accordance with the Bid Documents, Contract Documents and your proposal submittal dated February 25, 2003.

You must be prepared to meet the School Building Assistance submission requirements for June 2003. Accordingly, you are hereby authorized to proceed with services necessary to complete the SBA submission, while an Agreement between the Reading School Committee and Design Partnership is prepared and executed. Town of Reading Treasurer has confirmed that sufficient funds are available and, pending School Committee approval of each invoice, payments will be made within 30 days of the date of each invoice. The maximum total amount of this authorization is \$400,000. We understand this amount represents about 30% of the project's Design Development Phase.

Please supply evidence of all necessary and required insurance coverage within five days of receipt of this letter.

Sincerely,

Harry K. Harutunian, Ph.D. Superintendent of Schools

HKH/mkh

Attachment: Design Schedule, 4/10/03

Reading Memorial High School Design Schedule
