Re: Reading Public Schools
Alice M. Barrows School

Dear Ms. Lynch:

We are submitting the following information for the March 1, 2000 Capital Grant Application for the proposed addition and renovation of the Alice M. Barrows School in Reading, MA.

1. Copy of the Long Range Educational plan with Vote of the School Committee.
2. Rationale for Capital Construction (645-3).
3. Inventories of Existing School Space (645-4).
4. Enrollment Projections (10 years).
5. Appointment of School Building Committee.
6. Educational Specifications.
7. Preliminary Schematic Drawings.
8. School Committee votes approving the Ed. Specs. and the Schematic Design.
9. Copy of Architectural Access Board request for plan review.
10. MEPA review thresholds questionnaire.

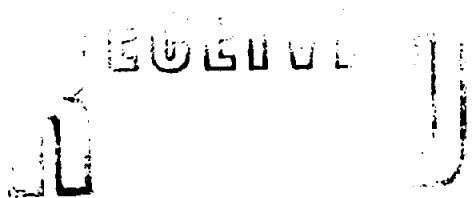

This information completes the required information for the March 1 deadline for the School Building Assistance Capital Grant Application. If you have any questions or need further information please don't hesitate to call me.

Sincerely,

Dr. Harry Harutunian
Superintendent of Schools
