Create your web gallery with a few mouse clicks!

Express Thumbnail Creator will allow you to create professional-looking web image galleries with a few mouse clicks! Just add your images to the list, click a few buttons and watch your new web image gallery come alive!

Sample galleries:

Airplanes

Animals

Movies

Scenery

You can use default settings or pre-built HTML templates to create nice-looking pages. Or you can spend some time to customize look and feel of the pages - you have the total control over every tiny detail of your web image gallery. *Express Thumbnail Creator* recognizes all popular image formats (*jpg, gif, tiff, bmp, png*, etc.). You can also save the templates you created and later reuse them.

Features:

- **Very easy to use** - creating a web image gallery has never been easier! Just click a few buttons and watch your new web image gallery come alive.
- **User friendly** - wizard-style interface makes *Express Thumbnail Creator* manageable even for those who have no idea of WWW and HTML.
- **Flexible** - you have the total control over every tiny detail of your web image gallery.
- **Powerful** - recognizes all popular image formats, resizes pictures using smart algorithms earlier available only in full-fledged image editors.
- **Customizable** - if you have some knowledge of HTML and CSS, you can customize your pages in absolutely any way creating your own templates.
- **Fully functional** - the trial version of *Express Thumbnail Creator* is fully functional for an evaluation period of 30 days.
