## CARLISLE

**PRINCIPAL AND ASSISTANT SOUGHT** — School Superintendent Marie Doyle has formed a 14-member search committee of parents, teachers, the special education director, a selectman, and two students to find a new Carlisle public schools principal and assistant principal. The last day to submit résumés is next Wednesday, and interviews will be conducted the week of Feb. 27. Doyle said that she hopes the new administrators will be selected by mid-March and begin on July 1 for the new school year. Principal Stephen Goodwin and assistant principal Michael Giurlando are leaving at the end of June. Goodwin has accepted a job in Winchester, and Giurlando is moving to New Jersey.
